RED CONNECTION

MARCH 9, 2016 AT 1:00 PM
MADISON LIVESTOCK SALE CO.

Bull Sale

Welcome to the Third Annual Red Connection Bull Sale. The Bayer and Weber families are excited to again offer an outstanding set of stout made, good footed, high performing bulls for your consideration. Whether you are looking for a true calving ease bull or a new herd sire we believe these bulls are even better than last year's offering and will work in a variety of settings.

All bulls will be ultra-sounded prior to the sale and a supplement sheet with carcass data, scrotal circumference and updated EPD's will be available sale day.

High quality beef is in high demand and Red Angus cattle are more popular than ever. We are experiencing some great times as cattlemen. It is our hope that this set of bulls will assist your program in continuing that success.

Please let us know if you have any questions. We would love to talk about the bulls prior to sale day.

See you on March 9th!

This black hided Hoover Dam son is sure to impress sale day. His mother is a first calf heifer that you will be seeing a lot of the future. This guy will be a female makin' machine, the heavy steer calves will be a bonus. We are keeping a half brother for our own use. We're pretty excited, they are both flat out good.

This Conquest son will be an excellent heifer bull choice. He is in the top 11% of the breed for calving ease direct. With a 66 pound birth weight and a ration of 84. I think I'd be keeping all the heifer calves out of this guy. They will be big bodied and easy fleshing. He is out of a first calf heifer that is out of our old faithful herd bull, Tahoe, which is a Timberlake son who has made some excellent females.
