TC REDS | WEBER LAND & CATTLE

# WELCOME TO THE SALE

**WEDNESDAY, MARCH 13, 2019 | 1 PM | MADISON, SOUTH DAKOTA**

Welcome to the Sixth Annual Red Connection Bull Sale. The Bayer and Weber families are excited to again offer an outstanding set of stout made, good footed, high performing bulls for your consideration. Whether you are looking for a true calving ease bull or a new herd sire we believe these bulls are even better than last year's offering and will work in a variety of settings.

All bulls will be ultra-sounded prior to the sale and a supplement sheet with carcass data, scrotal circumference and updated EPD's will be available sale day. High quality beef is in high demand and Red Angus cattle are more popular than ever. We are experiencing some great times as cattlemen. It is our hope that this set of bulls will assist your program in continuing that success.

Please let us know if you have any questions. We would love to talk about the bulls prior to sale day.

See you on March 13th!

**TERMS AND CONDITIONS:**

All cattle are to be settled for sale day unless prior arrangements have been made. The cattle sell under the terms and conditions of the Red Angus Association of America.

**ANNOUNCEMENTS:**

A supplemental update sheet will be available sale day with up-to-date information. All announcements made from the auction block take precedence over printed matter in this sale book.

**BREEDING GUARANTEE:**

All bulls have passed a breeding soundness exam. We will now offer to co-op with bull buyers to purchase Bull mortality & ASD Infertility insurance through Martin-Trudeau Insurance, Mitchell, SD. Seller will pay one half and buyer will pay one half of premium for coverage against death, infertility and injury. A representative of Martin Trudeau will be available sale day. If buyer declines this coverage he/she assumes full risk for bull. We would suggest that normal care still needs to be exercised toward these animals and particularly yearling bulls to maintain adequate body condition.

**DELIVERY:**

Bulls taken day of the sale will receive \$50 off of the purchase price. If bulls cannot be taken sale day the seller can house bulls for free until April 1 and at a rate of \$2/day after April 1. However, we will not be responsible for sickness or injury. Bulls can be delivered for free to buyers within a 300 mile radius. Outside of that area we can assist buyers with arranging transportation.

**HERD HEALTH:**

Cattle will be accompanied by proper health certificates for immediate shipment.

**EXPORT:**

All cattle guaranteed exportable to Canada.

**HD 50K DATA**

All Weber Land & Cattle Bulls have had HD 50K genetic testing and the data in this catalog takes into account those 50K results.

**LIABILITY:**

All persons who attend this sale do so at their own risk, legal or otherwise, for their safety or the behavior of animals. The owners assume no liability for property loss or accident that may occur.

**INSURANCE:**

Insurance will be offered at the clerk's desk.

This is the first set of Reform calves and we have never been more excited to get more on the ground. We kept every heifer calf because they are everything we aim for in our operation. Ideal in their build with an added shot of muscle, all put together is a sound package. If your needing a sire to make some incredible females here is your chance. 821's mother is the model cow. Here is the youngest bull of the sale but he is too good to pass up. This sound structured good looking bull is out of one of our best cow families. Many females have gone on to have big success out of this cow family and this bull is a maternal brother to TC Return Policy 42D. This bull will be a great herd sire that will add growth to any operation and yet his females will be the ones to retain in any herd.

## LOT 27

If you need a herd bull to make some great daughters here is your chance. 820's mom is 13 years old and posts a 362 day calving interval. We have 3 daughters and 6 granddaughters in herd. With 820's length and dimension the steer calves are an added bonus.

## LOT 28

Herd bull alert! This Cinch son balances up with the best. Long, deep, smooth and with a set of feet and legs that will last forever. His mother is a no-miss mother. On 6 natural calves she posts ratios of BW 101, WW 108, YW 106 and a MPPA of 106.6. Last year she raised a full brother to Lot 28 that sold to Jim Schott, SD and a Detour son to Dan Materi, ND. Only problem with this cow is she won't give us a heifer calf. Maybe this year!

### LOT 29

If you sell your calves by the pound check out this One Of A Kind son. Top 1% WW, YW, ADG & CW all while being a -1.3 BW. His mother is an outstanding Rolling Deep daughter and his grandma at 13 years old still calves this year to her AI date. Don't worry about keeping maternal in mind because on 11 calves she also posts ratios of 98 BW, 103 WW, 104 YW.

This 352 son is the real deal. Meat and potatoes type bull. Deep, loose made, long with excellent feet. His mother is that great combination of maternal + performance. His grandmother, 719, is phenotypically one of the best cows to ever walk here. Maternal brother to Lot 30 sold to Chain Ranch, OK.

**LOT 31**

These Spartacus cattle are hard to miss. They are the right shape and size to work for anyone. They are absolute tanks. 827 brings added calving ease without sacrificing a ton of growth. His mother is a full sister to Night Train who has been our go-to for making cattle with some extra power and performance. If you need a heifer bull but don't want to give up pounds and that "look"; star this guy twice!
